Southern Title Adds Building Industry Expert to Sales Team

(DAYTONA BEACH, FL – January 4, 2018) – Southern Title recently announced the addition of Jason DeLorenzo to its sales team effective immediately. Most recently, DeLorenzo served as Government Affairs Director for the Flagler Home Builders Association and was a Palm Coast City Commissioner from 2007-2012.

In his new role as Account Executive at Southern Title, DeLorenzo will be responsible for forging new business relationships with builders and developers throughout Central and North Florida. He will also work with Realtors® and lenders to generate new business for Southern Title’s Palm Coast and Jacksonville offices.

Over the past 22 years, Southern Title has established a talented team of professionals focused on land acquisition, development, and new residential and commercial closings. Company President Shelley Stewart sees tremendous growth in new construction in Florida and is excited about the knowledge and experience DeLorenzo brings to the team. “Successful land acquisition, site development, lot closings and end sales to buyers requires a specialized group with years of experience and I’m thrilled that we have put together an “A” team to handle it. Jason is going to be a real asset to our growth and help us deliver the ultimate closing experience to more builders and their buyers in 2018 and beyond.”

Southern Title currently provides residential settlement and closing services from 11 offices in Jacksonville, Palm Coast, Ormond Beach, two locations in Daytona Beach, Port Orange, Deltona, Kissimmee, Leesburg, and Tampa. In addition, the company operates a Commercial Division in Ormond Beach.
